The Dutch had captured at least one sizeable Portuguese ship
from Macao in the hostilities, the Nossa Senhora de Remedias,
which it could then have returned on condition that these
vessels serve to remove Portuguese population from Makassar,
in this case back to Macao. Having a clear, compelling goal

Instead of the orderly and consistent plunge into depth one
sees with adjacent eyes, reporting to the arbitrating mind
similarities and differences in their parallel fields of view,
this was depth created by movement of the motion picture
camera itself between frame.
