After months of captivity, he fears his life will end on the strange world until one chance encounter gives him hope. The ornamental rhetoric promoted by Condillac allows the relativism becoming a rhetorical figure that takes the form given by the individual, the more individuals, the more rhetorical figures and as many expressed truths The structural-functional rhetoric of Du Marsais designates two sides of rhetorical figure: the structural one the composition and the functional one the effects on other party. Vaibhav says:. BookratingsbyGoodreads. Same with the prejudice about Mary. I don't expect them to be up to date, obviously, but with all of them there have been times when I've found some really interesting takes on problems which occupy Critical Theory or Linguistics now-- for example, in some ways Lewis' -Experiment in Criticism- has similar concerns to Reception or Reader-Response Theory, Tolkien's -On Fairy Stories- seems to reflect more recent interest in the centrality of narrative in human thought cf Ricoeur and Barfield whom Tolkien followed, according to Verlyn Flieger has some interesting things to say about metaphor which remind me of the current interest in Conceptual Metaphor, even if he wasn't saying the same thing.
