A Political Nation: New Directions in Mid-Nineteenth-Century American Political History

Visit store. As these development trends continue globally, human operations require significant changes in management due to the challenges inherent in the diversity of employees Mok In Thailand, the rapid expansion increases the opportunities for attracting workers and customers both within and across borders IOM The behavior of employees is influenced to some extent by the cultural norms of different societies as they have to interact with people from different cultural backgrounds Yu Thus, employees of the international hospitality market should understand their multi-cultural customers and co-workers and management has to learn how to deal with a multi-cultural and diverse workforce in response to the globalization of hospitality corporations Kusluvan Multi-cultural workforces will become a major resource for international hospitality provision; organizations that can successfully implement global innovative business management practices for this type of workforce will gain a competitive advantage worldwide Yu Gunn mentioned that curriculum consists of various modules or courses that contain knowledge, skills, and attitudes.
